Alaskan Malamute Club Annual Weight Pull Competition

Events 1-6, including the ASTCV events on 21 May, 4 June & 3 September, are included in the AMCV 2017 annual weight pull competition. The AMCV event held on 8 October 2017 is also included in the 2018 annual competition.

Weight Classes*:

- Up to 36 kg class
- 36 – 45 kg class
- 46 - 55 kg class
- Unlimited class

** extra weight classes are offered at ASTCV events.*

The handler / owner may nominate a start weight which is based on the dog's weight as follows:

<36 kg class: maximum start weight 244 kg

36-45 kg class: maximum start weight 286 kg

45-55 kg class: maximum start weight 328 kg

Open Class: maximum start weight 328 kg

The maximum start weights are based on the rules of the IWPA (International Weight Pull Association). Note that these weights are maximum starting weights. Each dog may enter any round at or below the maximum weight in that class. If poor pulling conditions exist, the Chief Judge may adjust the starting weights lower to match the conditions.

Weightpull Event Format & Schedule:

Events will be conducted as per AMCV Weight-Pulling rules – copies of the rules are available on the AMCV website at www.amcv.org.au or from the Weight-pull Co-ordinator.

Competitors are asked to arrive in plenty of time to register, weigh-in and organise equipment if necessary. There are weight pull harnesses available in a range of sizes that competitors can borrow for the event (fees may apply).

Eligibility for AMCV Events:

Any dog over 18 months of age (but not bitches in season) may compete in an AMCV weight-pull event, however please note that only purebred, ANKC-registered Alaskan Malamutes are eligible for major prizes and annual awards at AMCV events, and the competing Malamute's registered name and registration number must be included on the entry form. Trophies or ribbons awarded to all class winners and placings (all breeds).

ALL DOGS WELCOME

Your dog does not need to be ANKC registered in order to compete in AMCV events
